Hair Heaven

Straight Looks

Straight hair is easy to achieve with a dryer or straightener

Section your hair – you get better results

Straighten the underneath first before the top section

Tip tip
For a sleeker look apply tension to the hair

Volume Looks

Volume is easy to achieve with the right product

Large barrels and mousse are a must

Curls give great volume to long hair styles

Tip tip
Don't comb any part out for 15 mins, curls need to cool

Wavy Looks

Wavy hair is a good look for medium length and long hair

Create waves with the wand or the multi styler

Waves can be achieved by curling hair and then brushing out

Tip tip
Run fingers through the curls to loosen out

iPad 2

Thinner. Lighter. Faster
FaceTime. Smart Covers. 10-hour battery.

iPad 2 is thinner, lighter and faster, yet it has the same 10-hour battery life¹. With two cameras, you can make FaceTime² video calls and record HD movies. And the iPad Smart Cover attached magnetically and aligns perfectly to your iPad³.

- 9.7-inch (diagonal) LED-backlit display with IPS technology
- Dual-core A5 chip
- Front and back cameras

All models come in black or white.

- Up to 10 hours of battery life⁵
- 802.11a/b/g/n Wi-Fi
- Bluetooth 2.1 + EDR technology
- 3G data service on Wi-Fi + 3G models

1. Compared with previous iPad, battery life varies by use and configuration. See www.apple.com/uk/batteries for more information. 2. Requires a FaceTime-enabled Mac with an internet connection or a FaceTime-enabled iOS device with a Wi-Fi connection, not available in all areas. See www.apple.com/uk/mac/facetime for more details. 3. iPad Smart Cover sold separately. Some colour may rub off leather covers during use. 4. Check with your carrier for compatibility and 3G data plan availability. 5. 1GB = 1 billion bytes; actual formatted capacity less. 6. Testing conducted using pre-production iPad 2 units and software performing each of the following task: video playback, audio playback and internet browsing using Wi-Fi. Battery life depends on the device settings, usage and many other factors. Actual results may vary.

iPad Smart Cover

The iPad Smart Cover was designed alongside iPad 2 to be its perfect match: a thin, durable cover that magnetically aligns for a perfect fit. It automatically wakes your iPad when you open it. And it folds into a handy stand for reading, watching and typing.³

Christmas Delivery

Order before the following dates and we will get your items to you before Christmas day:

Small items ★ 22nd December (£5.95)

Large items ★ 18th December (£8.95)

Small Items

These products are delivered on our behalf by "Home Delivery Networks Ltd", the largest parcels delivery carrier in the UK. Delivery times for most products are 7am-8pm Monday-Friday and 7am to 6pm on Saturday (this excludes Bank Holidays). You will be advised whether there is an am/pm slot available when you order. If no one is at home when the driver calls, in many cases we will be able to leave the parcel with a neighbour or in a safe place. We will leave a card to let you know where to pick it up from or give you some options to re-arrange delivery.

Larger Items

These items are delivered by our own two man delivery service. If your goods are in stock at our regional warehouse you will have been given a delivery date and time at the point of order. If your goods are not already in the warehouse we will call you when they are ready for delivery. Check your receipt for delivery information. The evening before your delivery we will let you know your expected 2 hour delivery time slot. On your delivery day, our drivers should phone ahead before they arrive (unless it's an early morning delivery). Any item marked "Home delivery only" will be delivered to any room provided drivers do not feel there are any health and safety issues such as a staircase which is too narrow or there is danger of damage to the customers property (delivery room of choice is not available on items marked as 48 hour delivery). If your order is a combination of small and large items, these will be despatched from different warehouses and will come in 2 separate deliveries but you will only pay one delivery charge. Check your receipt for your delivery information.

2 Day Express Delivery Service

Selected items only. Subject to stock at our warehouse and delivery location it will be delivered to you usually in 2 days (this excludes Sundays and Bank Holidays). For deliveries to Northern Ireland Express delivery may take an extra day. Unfortunately we cannot offer this service to remote areas of the UK (Scottish Highlands and Islands).

Supplier Deliveries

Some items are delivered direct from our suppliers. The supplier will contact you directly to arrange a suitable delivery time. Delivery times may vary from our standard service.

Recycling of Old Appliances/TVs

This service is only offered through our home delivery service on the purchase of new large kitchen appliances or selected TVs. If you have ordered collection for a washing machine, dishwasher or fridge freezer the old appliance must be disconnected/defrosted and emptied of water prior to delivery of new appliance. See page 1804 in the catalogue for more details.

Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly. See page 1804 of the catalogue for more details.

Returns

If you decide within 30 days of the delivery that you'd like to return something it's easy just call us on 08456 400 800 and we will collect it. See pages 1802-1803 of our main catalogue for our full After Sales Policy.
